Restrictions:
 Athens County will only accept a dedicated public roadway after it has been built to county standards effective at the time a petition by adjoining property owners or the developer is presented to the Athens County Commissioners. Acceptance of the roadway by the County Commissioners will take place only after the Athens County Engineer has approved the construction. The dedication of this private right-of-way does not constitute an obligation on the part of any government entity to maintain or improve said private right-of-way.
