

Woodland Stewardship Management Plan

Owner Thomas J. Baker etal Trust
Address 7701 Angle Ridge Road
Athens, Ohio 45701
Phone 740-594-4567 Case Number _____
Cell 740-591-4380 Email Address geriatricexpert@hotmail.com
County Athens Township/Village/City: Sec 34 Canaan Twp.
Parcel(s): A010010012802, A010010012803, A010010011903, A010010011904
Location: 7701 Angle Ridge Rd., Athens Ohio 45701

Woodland Stewardship Acreage: 20.5 Non-woodland Stewardship Acreage*: 2.552
Total Property Acres 23.05
* Non-woodland acres for which stewardship recommendations are made.

This plan was written to qualify the landowner's woodland for the programs checked below:

- Ohio Forest Tax Law American Tree Farm Program
 Environmental Quality Incentives Program (EQIP) CAUV

Property coordinates (report in WGS 84, decimal degrees.)

Longitude: N39.308622 Latitude: W 82.075219

Landowner Management Objectives

1. Manage the property for all attributes and opportunities that exist in the natural undeveloped ecosystem, which is of interest to the owner. These include: recreation, wildlife management, soil and water management, forest protection, timber products management, and other compatible conservation uses.
2. Maintain and improve the productivity of this forestland.
3. Provide habitat and manage populations of a variety of wildlife species (both game & non-game)

General Woodland Description

Athens County is located in the unglaciated hill country of southeastern Ohio. Slope and erosion hazard is the major land use limitations. Seasonal wetness, droughtiness, flood hazard, and the moderately slow to very slow permeability of some soils also limit land use.

Athens County is in the central hardwood forest region. Most of the woodland in Athens County is in areas of steep and very steep terrain. This terrain is well suited to trees.
