

Woodland Stewardship Management Plan

Owner John G. Boeckl
Address 5803 Pelham Dr
Parma, Ohio 44129
Phone 216-255-2766 Case Number _____
Cell 440-884-7593 Email Address _____
County Athens Township/Village/City: Section 14 Ames Twp.
Parcel(s): D010010012203, D010010012601, D010010012602, D010010012700,
D010010013200 D010010013300,
Location: Along Marietta Run Road – approximately 1 mile from St Rt 550

Woodland Stewardship Acreage: 447.01 Non-woodland Stewardship Acreage*: 0
Total Property Acres 447.01 * Non-woodland acres for which stewardship recommendations are made.

This plan was written to qualify the landowner's woodland for the programs checked below:

- Ohio Forest Tax Law American Tree Farm Program
 Environmental Quality Incentives Program (EQIP) CAUV

Property coordinates (report in WGS 84, decimal degrees.)

Longitude: N 39.391365 Latitude: W 81.880443

Landowner Management Objectives

1. Manage the property for all attributes and opportunities that exist in the natural undeveloped ecosystem, which is of interest to the owner. These include: recreation, wildlife management, soil and water management, forest protection, timber products management, and other compatible conservation uses.
2. To grow tree species, which will produce high quality forest products.
3. To develop and maintain favorable food and cover conditions for both game and non-game species of birds and mammals.

General Woodland Description

Athens County is located in the unglaciated hill country of southeastern Ohio. Slope and erosion hazard is the major land use limitations. Seasonal wetness, droughtiness, flood hazard, and the moderately slow to very slow permeability of some soils also limit land use.

Athens County is in the central hardwood forest region. Most of the woodland in Athens County is in areas of steep and very steep terrain. This terrain is well suited to trees.

Historically this tract was part of a large coal company land holdings. Mr. Boeckl purchased the majority of this ownership on January 16th, 1998 and later acquired the 2 small gaps in this large contiguous block of forestland. This majority of this tract was selectively harvested in 2006.

John Boeckl Tract
 Section 14 Bern Twp.,
 Athens Co., OH
 Activity Map

Marietta Run
 Road

St 4 & 5
 inspect for & treat any
 Ailanthus found
 Cover entire stands cutting
 scattered grapevines
 Leave arbors for wildlife benefit

St 1 & 2
 Cover entire stands cutting
 scattered grapevines
 Leave arbors for wildlife benefit

St6
 cut scattered grapevines
 Leave arbors for wildlife benefit

Ailanthus Patches

Note:
 All stands have some grapevines present
 and vines should be cut from crop trees.
