Landowner Objectives

1. Property Tax Reduction: To do the necessary work needed to qualify for Ohio Forest Tax Law (OFTL)
2. Timber Production: Improve the woodland through timber stand improvement (TSI) to produce quality timber for future timber harvesting.
3. Investment: To develop and utilize the woodland resources to provide for income and to serve as an investment.
4. Woodland Health: Address issues affecting woodland health.
5. Utilize wood products from the property for the owner's woodworking.
