Landowner Objectives

1. To manage the timber resource and maintain forest cover for both wildlife habitat and timber production.
2. To harvest timber on a timely basis, removing mature and defective and otherwise undesirable trees.
3. To maintain a simple system of access trails to all parts of the woods for management activities, wildlife viewing, hunting, and hiking.
4. To protect the watershed during all woodland activity.
5. To maintain a woodlot for future generations of family and friends to utilize and enjoy.
