Property coordinates (report in WGS 84, degrees, minutes, and seconds.)

Latitude: 39° 21' 05" N Longitude -82° 11' 43" W

Landowner Objectives

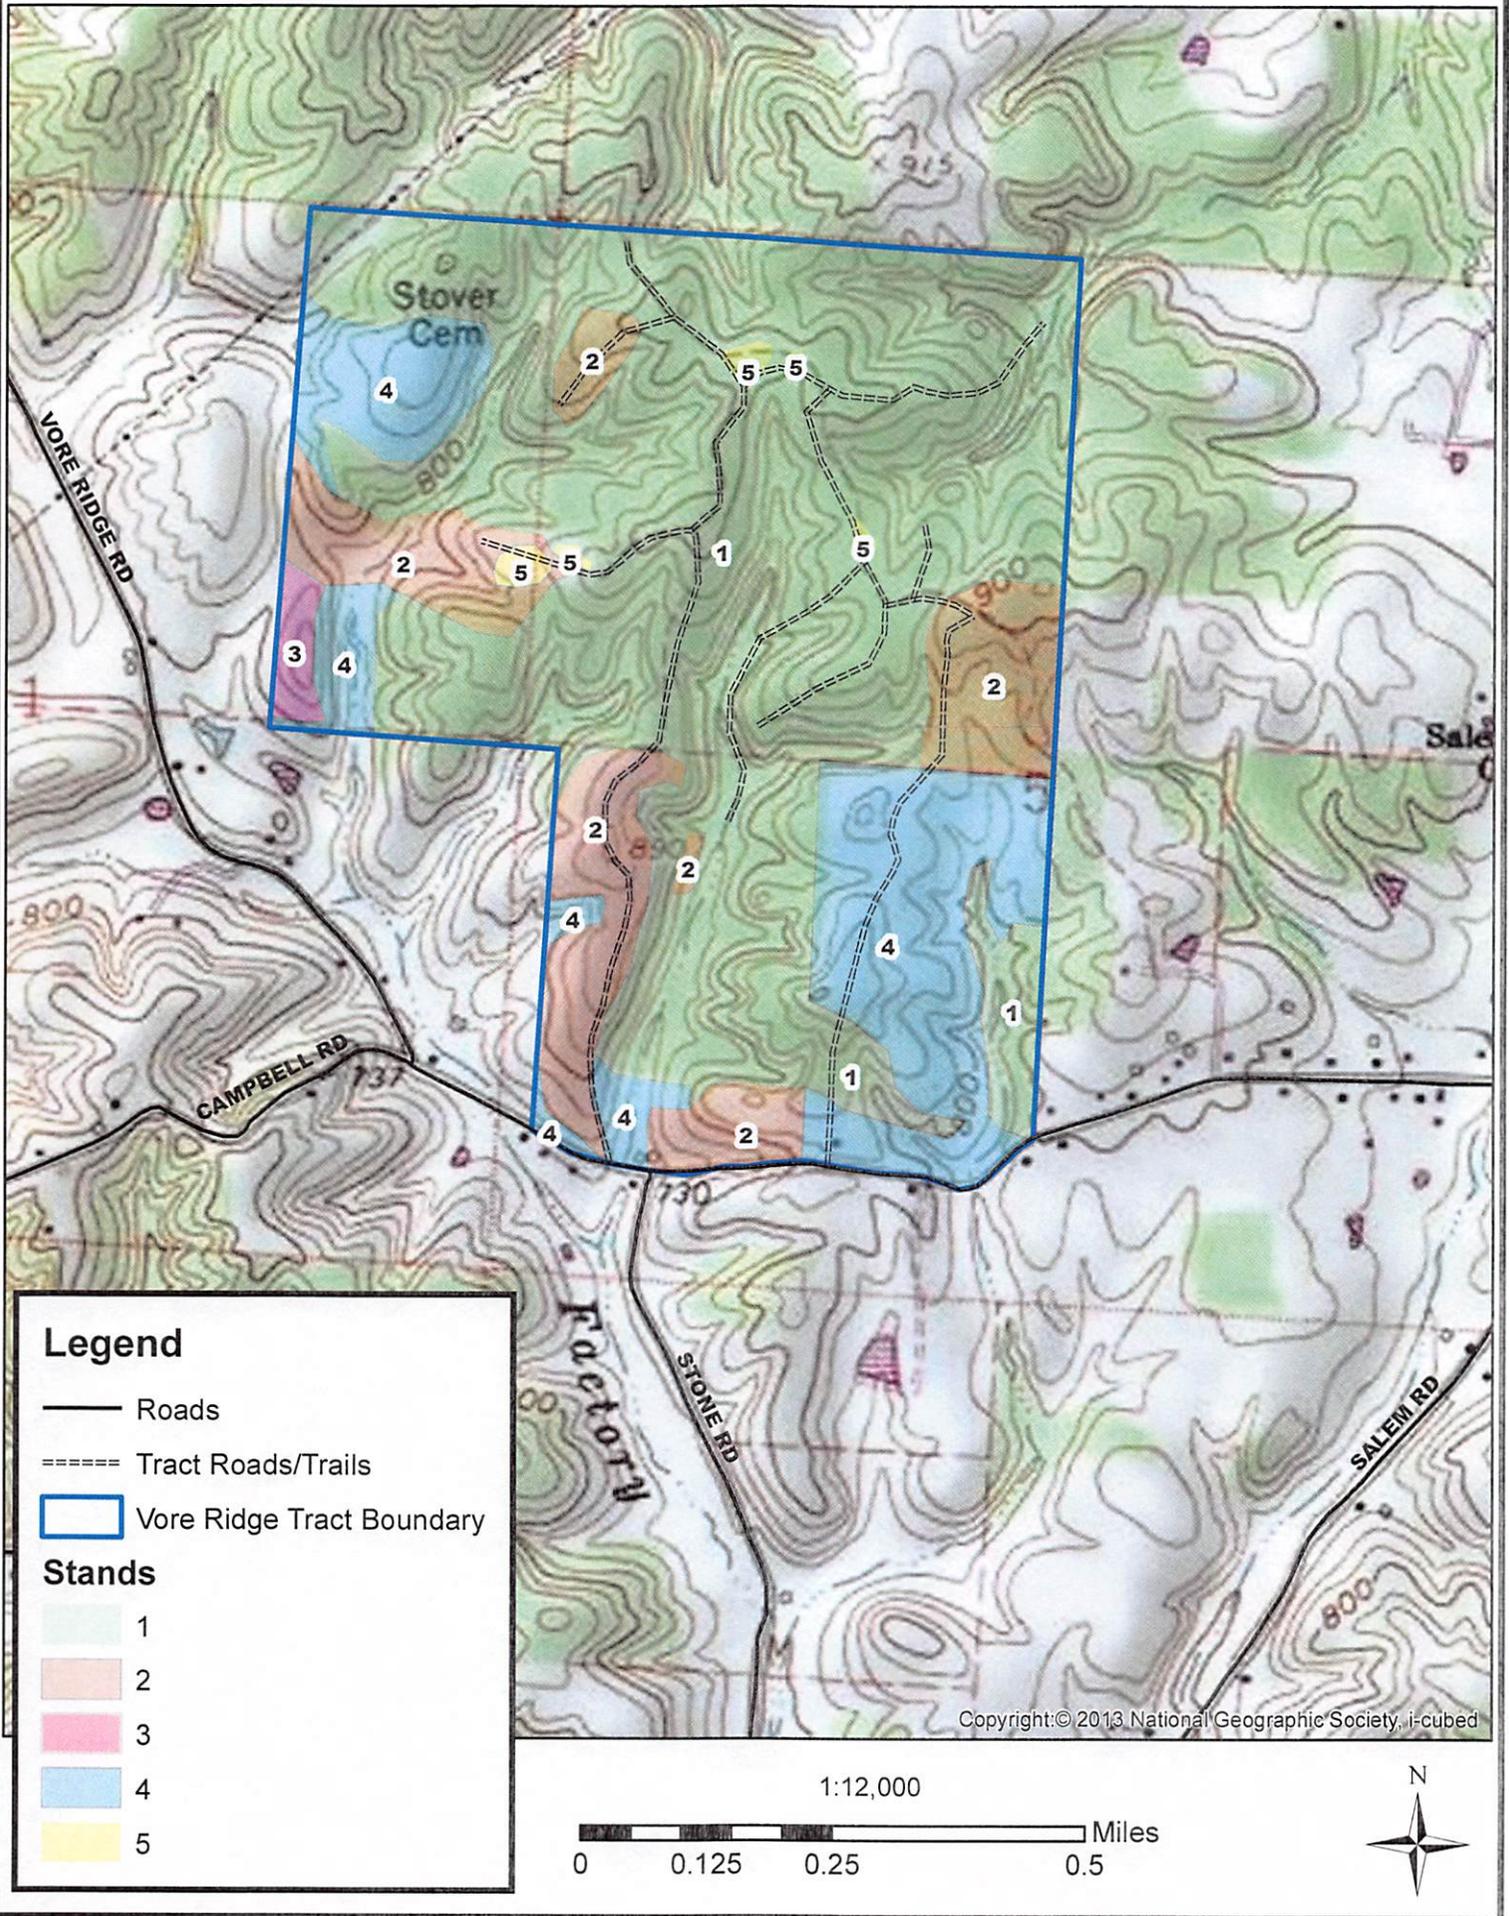

1. To improve woodland health and quality
2. To maintain and improve wildlife habitat
3. To improve the quality and quantity of timber on the property.
4. To manage for all the attributes and opportunities that exist in a forest ecosystem of interest to the owner including recreation, wildlife management, soil and water management, forest protection, timber product management and other compatible uses.

General Woodland Description

This property is located on Vore Ridge Road north of New Marshfield about 6 miles west of Athens. This 379 acre tract contains four different parcels. Three of the parcels within this tract belonged to Doctor Rauch until Superior Hardwoods purchased it in the summer 2016. The fourth parcel, containing 54.85 acres, was purchased in April of 2017 from Kay Gabriel. This tract has about 237 acres of mature hardwood timber. The remainder of the property consists of white pine plantings, old field, and a few small clearcuts that were initially created for chestnut plantings. There was a mobile home located on Gabriel property until sometime around 1990 and much of

Vore Ridge Tract

Date: 8/3/2017
