Private Right-of-Way Maintenance Agreement
for the Breezeway Amended Subdivision

- All previously agreed upon maintenance agreements of The Breezeway Subdivision a recorded Plat of record, Athens County Recorder's Envelope 543A apply to this Amended Plat. Further the owners of the newly created Lot 2 of this Breezeway Subdivision Amended Plat their heirs & assigns will share the responsibility for an equal share of the maintenance costs of that portion of a driveway, a private shared right-of way, and being more fully described as that part of said private right-of-way from Athens County Rd. 14 to the terminus at the division line shown on this Plat.
- Maintenance agreements will remain as previously described in The Breezeway Subdivision private right-of-way maintenance agreement of Envelope 543A, and being repeated here. Maintenance will be considered every spring as to whether there are still four inches of aggregate on the driveway, that the driveway is a minimum of 10 feet in width, that the drainage is adequate, and whether additional repairs need to be made on driveway.
- In the event of a dispute, all parties agree to have the dispute settled either in a court of proper jurisdiction or by a dispute resolution utilizing Athens Area Mediation services or a similar impartial organization.
- All parties agree that there shall be a minimum depth of four inches of aggregate for the driveway, and that there shall be a minimum of ten feet in width of said aggregate for the driveway.
- For further regulations concerning the private right-of-ways, reference is made the subdivision restrictions as found in The Subdivision Regulations book of the Athens County Recorder's office.

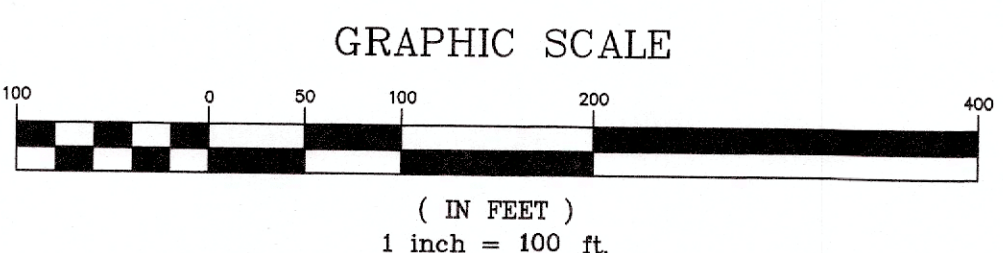

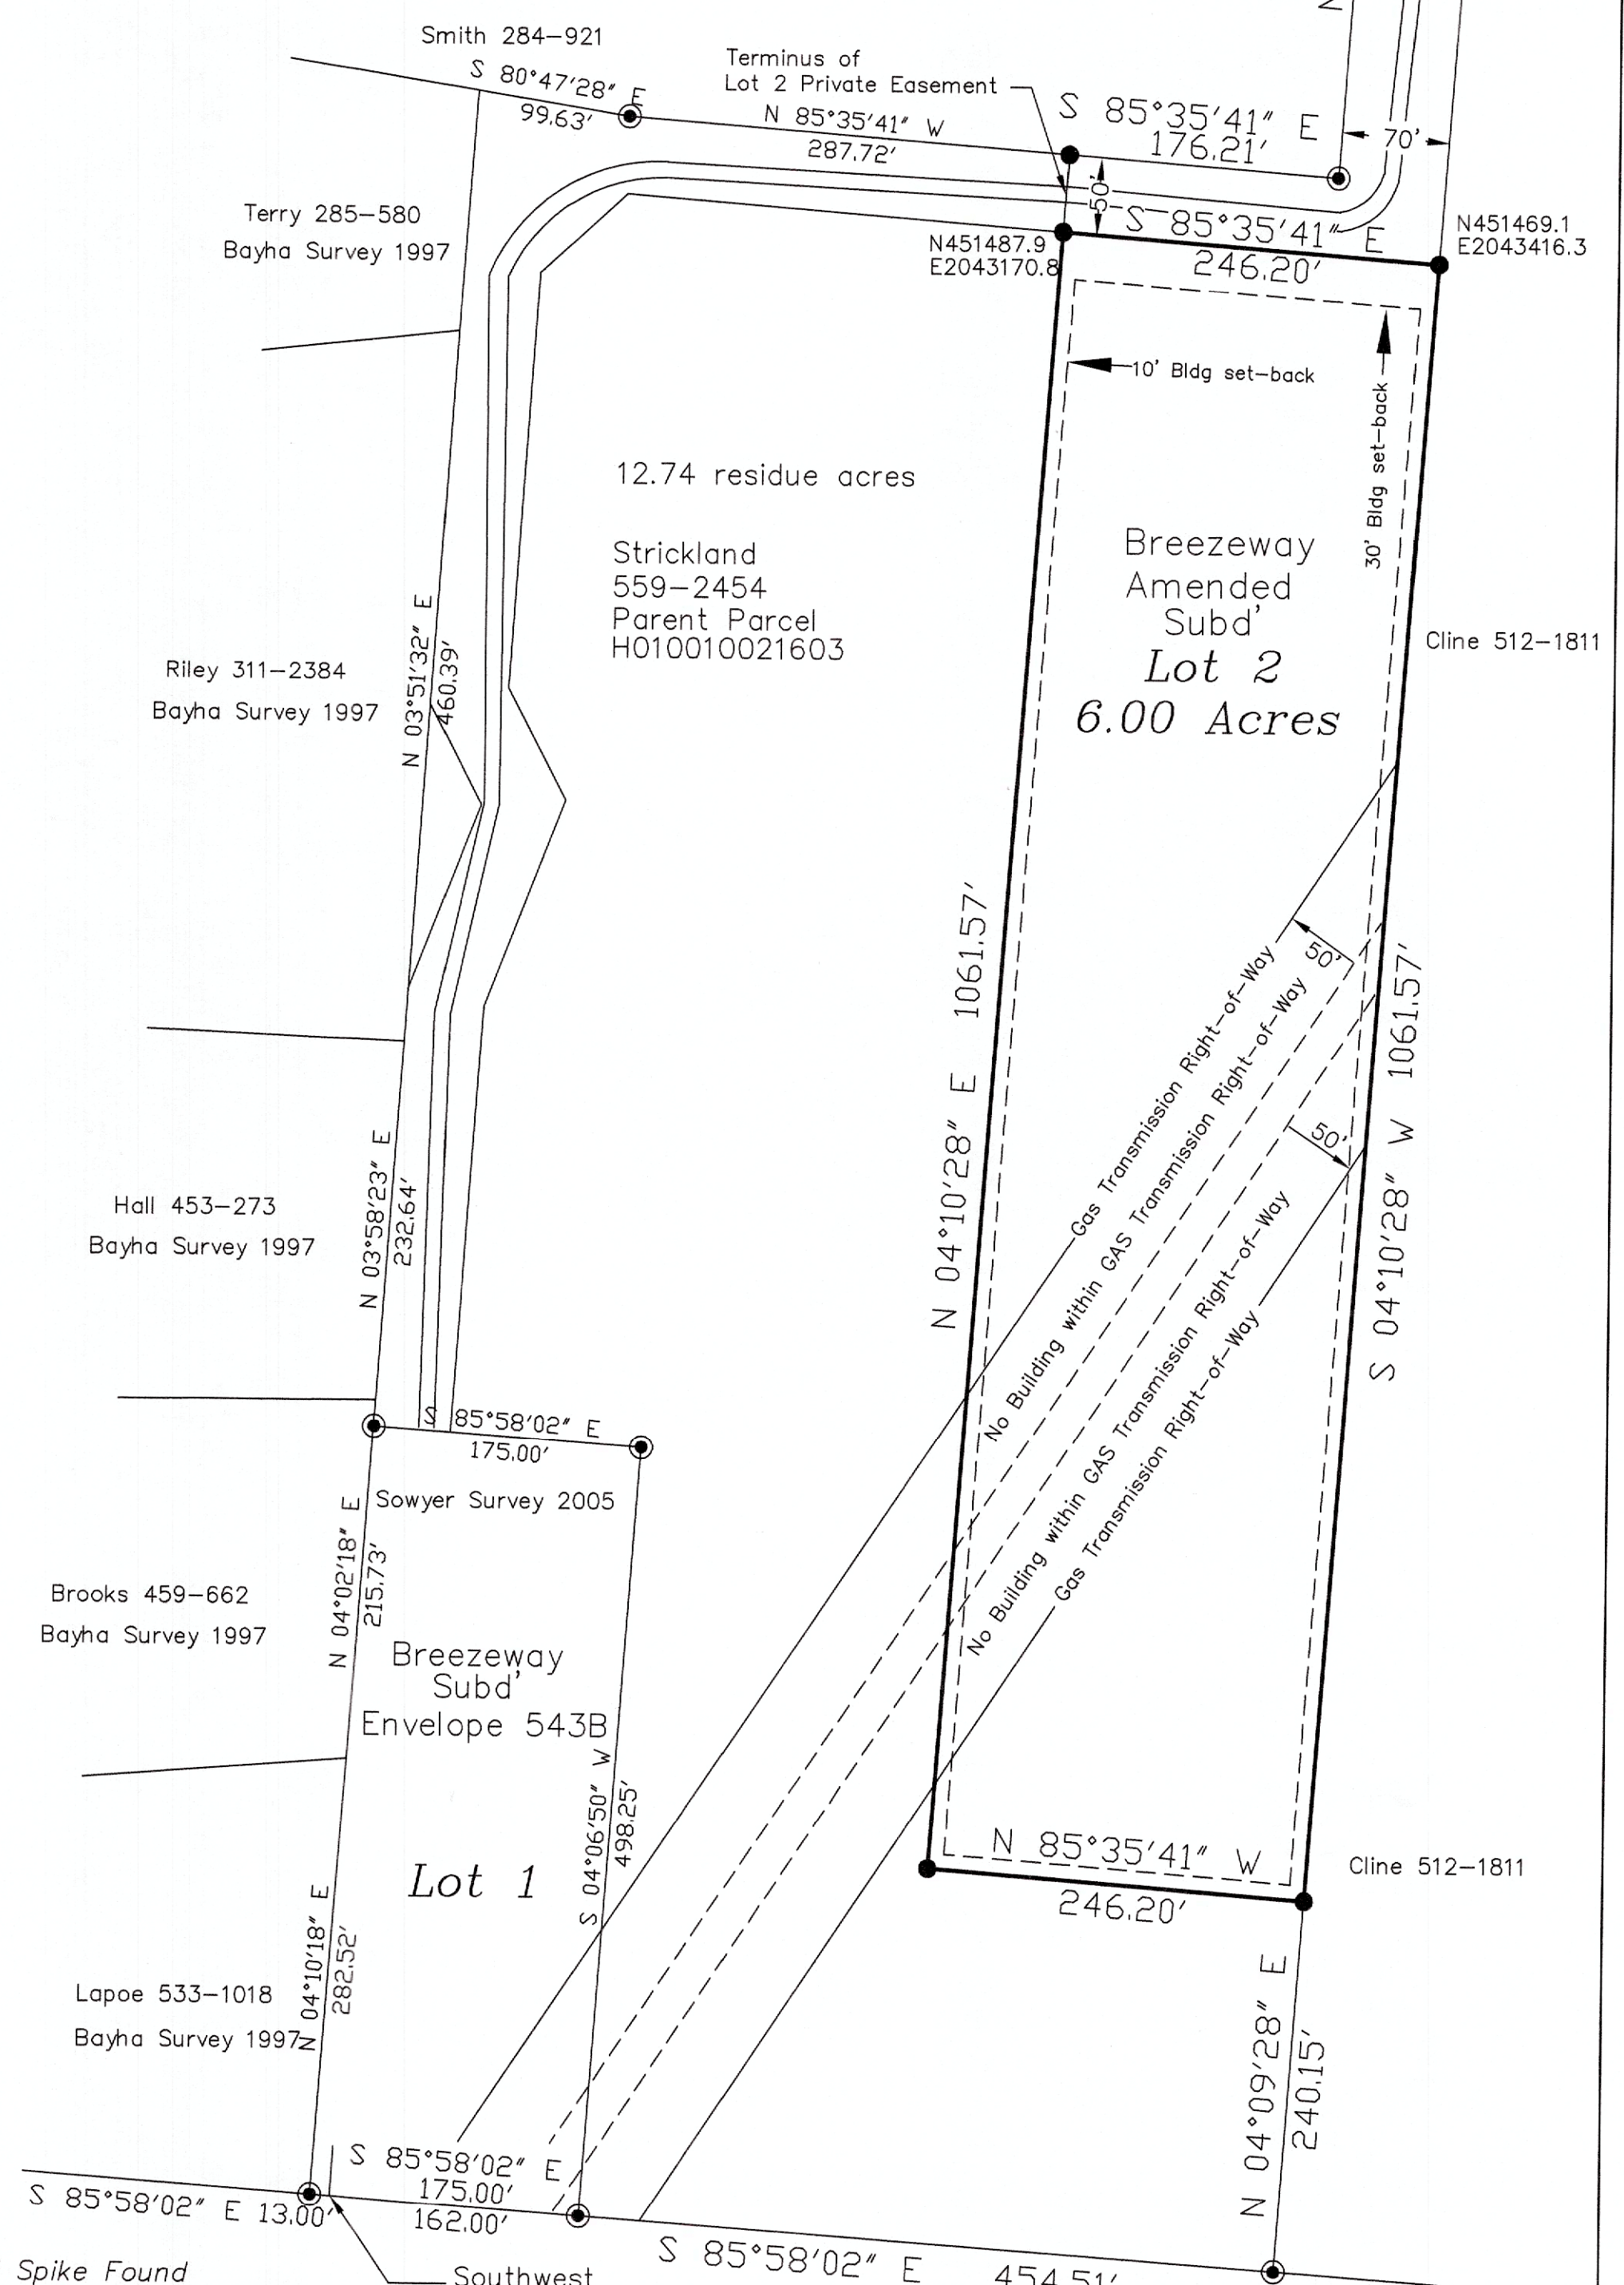

Athens County will only accept a dedicated public roadway after it has been built to County Standards after the time a petition by the adjoining property owners or the developer is presented to the Athens County commissioners, acceptance of the roadway by the Athens County Commissioners will take place only after the Athens County Engineer has approved the construction. The dedication of this private right-of-way does NOT constitute an obligation on the part of any government entity to maintain or improve said private right-of-way.

Basis of Bearings: Ohio State Plane Coordinate System South Zone NAD83.
Prior Surveys and Deeds referenced to this survey as noted on Plat.
Subject to all easements, right-of-way, covenants and agreements of record.

Lot 2 is subject to a Gas Transmission Right-of-Way and it will remain the responsibility of the owners to contact the gas line authorities prior to digging or building near all gas line right-of-ways.

Lot 2 has building set backs as shown on this Plat
