**COUNTY ENGINEER APPROVALS**

Athens County will only accept a dedicated public roadway after it has been built to County Standards at the time a petition by the adjoining property owners or the subdivider is presented to the Athens County Commissioners. Acceptance of the roadway by the County Commissioners will take place only after the Athens County Engineer has approved construction of the improvements. Approval of this plat in no way constitutes approval of construction of any site improvements. The County Engineer assumes no legal obligation to maintain or repair any open drainage ditches or channels designated as 'drainage easements' on this plat. The easement area of each lot and all improvements within it shall be maintained continuously by the lot owner. Within the easements no structure, planting, fencing, culvert, or other material shall be placed or permitted to remain which may obstruct, retard, or divert the flow through the watercourse.

I hereby approve this plat on this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_
